Dear Business Leader,

For two decades, Sienna Crossing Elementary's GatorPalooza has been a well-known family friendly carnival and auction that continually attracts more than 1,000 participants who eat, shop, and play in Missouri City and Sugar Land.

GatorPalooza offers businesses like yours an excellent opportunity for corporate visibility and community involvement.

Partnerships with our GatorPalooza sponsors continuously help support Sienna Crossing's in-school programs such as Opera to Go and Skydome, field trips, playground shade and offers additional avenues for staff development to ensure the success of our student's academic development. Just last year, PTO sponsored an eclectic mural for the 5th grade pod. Also, the PTO was able to build a storage shed to store the school's Skating 101 equipment.

We sincerely hope that your business will consider sponsoring Sienna Crossing Elementary's 2024 GatorPalooza. Your commitment is not just for one day, but will impact the students, faculty, and families of Sienna Crossing for years to come. This year's GatorPalooza will be held on **Friday, March 1, 2024 from 5-8:30 p.m.**

Enclosed, you will find a detailed description of our 2024 sponsorship levels which range from \$100 to \$2,500.

We would greatly appreciate your response no later than Friday, January 26, 2024, so that we can ensure your business is recognized in all of our GatorPalooza printed materials. Sienna Crossing Elementary School PTO is a 501(c)(3) organization (Tax ID# 76-0575509).

If you have any questions or need additional information, please contact Christine Foteh at gatorpaloozasponsors@gmail.com. Thank you for your consideration!
