

BIRTHDAY POLICY

Birthday Treats: Birthday cupcakes or cookies are welcome to celebrate your child! We ask that all deliveries be kept in the **front office** and delivered to the classroom during that school day. All birthday treats must be **store bought and individual servings** that DO NOT need to be cut --> no cake or cookie cakes. Parents will need to fill out a birthday treat form when you drop off treats at the front desk.

Birthday Party Invitations: If you distribute birthday party invitations in class, ask your child's teacher what their policy is prior to distribution. Thank you.

Goodie Bags Policy: For student birthdays or school wide party days, please know that **goodie bags are not allowed** for distribution to children.
